

Dear City Centre
& Waterfront BID Member...

You are invited to attend a special Plymouth Matters Meeting on 15 August, 8am – 9:30am at Cophorne Hotel.

Come and find out more about the Mayflower 400 commemorations in 2020 – find out more and see how your business can be involved. 2020 marks the 400th anniversary of the Mayflower voyage from Plymouth, one of the most influential journeys in global history and a seminal moment in the shared history of Britain, the US and the Netherlands. It is an epic tale which will put Plymouth into the global spotlight.

Plymouth is at the heart of the 2020 commemorations of the Mayflower voyage, and is creating a programme to engage Plymouth residents and visitors, showcasing Plymouth to the world.

At this meeting, the Mayflower 400 Chief Executive, *Charles Hackett*, will talk through the plans for 2020 and hear your views on how this opportunity can be maximised for the City Centre and Waterfront Partnership BIDs and your business.

A full English buffet breakfast will be served from 8am. Booking is essential – please rsvp to holly.reynolds@citycentrebid.co.uk no later than Friday 11 August.

We look forward to seeing you all then.

Plymouth City Centre Company and Plymouth Waterfront Partnership.

Steering our future,
inspired by the past.
